

# Sequoia After School Program

Sequoia is excited to offer a free after school program to all students. ASP gives students the chance to receive extra homework help and tutoring- and also offers additional physical activity time, cool enrichment activities, snacks, and socialization with peers within a safe school environment.

**ASP runs from 2:30-6:00 pm every school day.**

**As a parent/guardian, you can choose for them to walk home at a specific time or wait for you at the school for pickup!**

**Sequoia students can't use their phones on campus- but ASP has a private line AND a cell phone that can be called/texted and save contacts for easy communication between you, your student, and us.**

## **Enrollment is easy!**

**All you have to do is pick up a packet in Academic B- and once it's filled out and brought back, you can begin immediately! For any questions contact Miss Meghan at [meghan.christopherson@fresnounified.org](mailto:meghan.christopherson@fresnounified.org)**

**Desk Phone: (559) 457-3210**

**Cellphone Call/Text: (559) 803-1246**

**Spanish and Hmong services are available.**
